**A Special Thanks to the Aberdeen Rotary Club + Play it Forward:** The following is the letter that President Karen sent to the Aberdeen Rotary Club on January 7, 2013 in response to their \$2500 donation for Hurricane Sandy relief:

Dear Fellow Rotarians:

I am writing on behalf of the Rotary Club of Flemington to express our sincere thanks and gratitude for the Aberdeen donation of \$2,500 to assist families that were impacted by Hurricane Sandy. Rest assured that your donation had a meaningful and significant impact in the lives of many families. Flemington Rotary Club unanimously voted to match your donation, so we jointly contributed \$5,000 to families in need.

We reached out to organizations that assist families such as the Family Success Center, the Interfaith Outreach Council, and Family Promise to identify those in need. In total, we helped over 20 families with food replacement, damage to property and the like. In the words of one family, “it is so heartwarming to know that people cared about our loss and your help made our lives much easier.”

The donation of your Club gave us the idea to “play if forward”, so the Flemington Rotary Club has approved \$5,000 to go to two South Jersey Clubs to assist families in that area. We are also encouraging other Hunterdon County Clubs to consider doing the same.

Once again, our warmest thanks.

Yours in Service,

Karen A. Widico - President, Flemington Rotary Club

**Flemington Rotary Club Assists Local Families:** The following [article](#) appeared on [www.nj.com](http://www.nj.com):

By Hunterdon County Democrat

on December 05, 2012 at 12:00 PM, updated December 05, 2012 at 12:04 PM

The Rotary Club of Flemington, through the assistance of two Hunterdon County agencies, donated \$5,000 for local community members who suffered losses due to the recent hurricane.

Professional case workers from the Hunterdon Interfaith Outreach Council and Hunterdon County Family Success Center identified — through their experience and screening processes — families in need of financial assistance. Most of the monies distributed went to replenish food items destroyed by the lack of electricity or refrigeration.

Utilizing the services of agency personnel is considered a best practice by many organizations looking to make the best use of their donations within a local area. This initiative is directly due to the inspiration of Bob Burgard, a Rotary Club of Flemington past-President and now a member of a Rotary Club in Maryland. Bob and his club members wanted to assist others outside their domain and Bob suggested Hunterdon County and his old club. They presented RCOF with a \$2,500.00 challenge, which the Rotary Club of Flemington Board unanimously agreed to match, making up the \$5,000.00 fund.

The distribution of these funds has made a significant difference in the quality of life for the families chosen by the agencies. This is another example of the support and participation Rotary Club of Flemington provides to others in our local community.

The Rotary Club of Flemington meets every Wednesday at 12:15 p.m. for lunch at the Copper Hill Country Club, 100 Copper Hill Road, in Ringoes. For more information about the club, membership or other upcoming events, visit [www.FlemingtonRotaryNJ.org](http://www.FlemingtonRotaryNJ.org).
