Membership Chair, Joe Ziegler, has called a 2nd Wednesday Membership Committee meeting for tomorrow at 1:30pm following the regular club meeting. Anyone interested in lending a hand is welcome to attend.

EAT, DRINK & SHARE has been CANCELED

Eat, Drink & Share was previously scheduled for Monday, November 2, 2015. However, we were informed that the event has been **CANCELED**.

District 7510 indicated that the event is being reformatted for next year and to look for an upcoming Foundation Campaign coming soon.

The Flemington Rotary MEMBER DIRECTORY Is Updated on the Website

We have come up with a new approach to keeping the **Flemington Rotary Club Directory** up to date. We will continue to print hard copies of the member directory as most club members prefer having a hard copy in their hands. However, as soon as the hard copies are printed, we are soon faced with changes or updates that need to be made. This could be a new club member is added or a member changes their address, email or phone numbers, etc.

Therefore, we will now start keeping an updated Club Directory on the club website, located in the password protected "**Members Only**" page. To access this, simply goto

www.FlemingtonRotaryNJ.org and click on "Members Only" in the upper left. The page is password protected. If you do not have the password, simply email us and request it.

Sandy Clark has just completed a full update of the Directory as found online. We request that all members view the online directory and respond to Sandy with any changes that need to be made. [Click Here](#) to generate an email to Sandy.

Once we have any feedback incorporated, printed hard copies will be able to be made.

After that, we will start keeping an **up-to-date** PDF copy of the Member Directory on the website. So if you are looking for the latest directory, check the website for the latest PDF copy of it.

A very special thanks to Sandy Clark for helping to come up with this "live" document approach to the online directory!

Rotary International
Miles to End Polio Virtual Ride

President Mick wanted you to see this email that he received from Rotary International.

Dear Rotary Club President:

We recently marked **one year without polio in Africa**. While this progress is momentous, we haven't finished the job of eradicating polio yet. Now, more than ever, we need to redouble our efforts to reach a polio-free world.

On 21 November, a team of Rotary staff and I will join Rotary members from Arizona and around the world in **El Tour de Tucson** to raise funds for polio eradication. The 104-mile race, which attracts more than 9,000 cyclists a year, is one of the top cycling events in the United States. Our Miles to End Polio **fundraising goal is \$10 million**. You can read about each staff rider [HERE](#).

Is your club looking for fundraiser to support polio eradication? Would you like you like to join the team? Take part in the Indoor Ride to End Polio! Ride a stationary bike at your local gym or at home any time from 14-21 November. More information can be found below. [REGISTER TODAY](#) or feel free to encourage fellow Rotarians to register or you could ride with us in Tucson.

Sincerely,
John Hewko - RI General Secretary

Rotary International
OPEN WORLD PROGRAM 2016
CALL FOR HOSTS

President Mick asked me to pass along the following email that he received:

Dear Rotary Club President,

We are pleased to announce new hosting opportunities under the Open World Program during the 2016 calendar year.

The Open World Program is available only to Rotary clubs in the United States, and provides an opportunity to build fellowship and friendship to strengthen international understanding by hosting emerging Eurasian leaders from Azerbaijan, Georgia, Kazakhstan, Kosovo, Kyrgyzstan, Moldova, Russia, Tajikistan, and Ukraine in your community. Rotary clubs are needed to host six-participant delegations for eight days and nights and prepare a professional program related to business, community, and civic life in the United States.

The program focuses primarily on developing a network of leaders who have an understanding of how American communities deal with contemporary issues and who want to maintain contact with their new American contacts and other counterparts. Often, these collaborations lead to service projects between Rotary clubs in the two countries.

Is your Rotary club interested in working on an international project, hosting six Open World participants (emerging and/or current Eurasian leaders) for eight days, and willing to develop an intensive week of programs based on a selected Open World theme? Review the [Open World Program Brochure](#) and [Host Request Form](#) and email the completed form to openworldprogram@rotary.org by Thursday, 15 October 2015.

Find out more about the [Open World Program](#) or email us at openworldprogram@rotary.org.

Sincerely,
Natalia Kunzer

10th West Africa Project Fair
November 10 - 19, 2015
Week-Long, International Trip

President Mick received this email that he wanted to share with everyone. [Click Here](#) to download a PDF of the 5-page flyer about the 10th West Africa Project Fair.

Dear Rotary Club President:

Congratulations on the beginning of a new and hopefully successful year of Rotary Service as a Club President. I sincerely hope it is a wonderfully productive and satisfying experience for you.

The purpose of this correspondence is to announce an upcoming trip to **Cote d'Ivoire, West Africa** in **November 2015** to participate in a **polio immunization exercise**, attend the **10th Annual West Africa Project Fair**, and engage in a **hands-on work project**. Attached is detailed trip information. Please feel free to share this information with the Rotarians in your club *as soon as possible* as we have a limited amount of space and expect this trip to be filled in the next week or two.

Trip Dates: **November 10 - 19, 2015**
Travel to: **Abidjan, Cote d'Ivoire, West Africa**
Per Person Price: **\$1,779, double occupancy**

Program includes: Hotel accommodations, transfers, most meals, polio immunization exercise, hands-on community service field work, West Africa Project Fair registration, special Rotary and fellowship events, sightseeing, etc.

In November 2015, North American Rotarians will travel to **Abidjan, Cote d'Ivoire**, for a life changing experience. Have you ever heard a Rotarian speak about their personal experience participating in a polio eradication exercise, a cleft lip/cleft palate mission, or work on a humanitarian grant? These trips have a profound effect upon the individual. For those of you who have gone on one of these trips you know, and for those of you who have yet to enjoy this experience, you should.

The experiences you have stay with you forever. You get up early in the morning, travel with local Rotarians to a village, health clinic or impoverished neighborhood, and for the next few hours, you change. Small children come up to you to say thank you. Mothers and fathers smile at you knowing that you are giving their child a chance for a better life. You meet with the leaders in the village to learn of their needs and their hopes. It is hot; it is dusty; it makes you uncomfortable; it is exquisite.

The West Africa Project Fair is endorsed by Rotary's Reach Out to Africa Committee (ROTA), who is trying to generate greater connectivity between the African and North American Rotarians to generate greater support of the projects of Africa. Your involvement, or your club's involvement, in this Fair would not only provide an opportunity for project support, it would also help your members to grow and to

understand the benefits of being a Rotarian. Involvement in Rotary gives the ordinary Rotarian extraordinary opportunities to do things that they could never do anywhere else. This trip is just such an experience.

Even if you are unable to join us this year, please feel free to **announce this program in your club over the next month**, get it on websites, and get it in newsletters. Encourage your members to participate - help them to Be a Gift to the World.

Let us know if you have any questions. We hope to hear from you soon.
