Pedals for Progress Bicycle, Sewing Machine & Sports Equipment Collection (Held this past Sat, June 2): Joe Ziegler provided a summary of the Pedals for Progress collection that was held this past Saturday (6/2/2012) at the Flemington Presbyterian Church.

We collected a total of (59) bicycles, (1) sewing machine and \$749 in donations. The bicycles collected this year are destined for Vietnam. The total number of collected bicycles is up from last year, which is a trend from all spring collections this year. This also shows that the economy is slowly getting better as old bicycles are being replaced. Thanks to Bob Chittenden and his son Thomas, Sandy Clark, David Stess (Marty’s son) and Herb Bohler for recording the events.

Rotary Club Locator App - Have You Ever Wanted to Find A Local Rotary Club for a Make-up....Well, There is an App for That!!!: Rotary International has created a new App for your iPhone or Android smartphone to help you find a local Rotary club. [Click here for more info.](#) The Rotary Club Locator app helps you find a Rotary club meeting when you're on the go. Some highlights are:

- The "Near Me" search locates clubs within a physical radius of 100 miles. (Note: Actual driving distances may be further.)
- A keyword search for clubs. This search looks for the keyword in either the club name or meeting location address. This is useful for finding clubs that are outside of the 100-mile radius from your current location.
- A map showing a club's location and driving directions.
- The ability to save search results to a list of favorite clubs.
- The ability to add a club to your phone's contact list.
- The club's website and primary phone number, if available.
- A search function to find clubs by district.
