Super TYPHOON HAIYAN has struck the Philippines
Message from DG Tulsi Maharjan

President Ira asked me to pass along the following email that we received from DG Tulsi Maharjan:

Dear President Ira:

As you know, Super Typhoon Haiyan has struck the Philippines with disastrous consequences. Many thousands are dead, many more thousands are displaced.

You can help the victims of this typhoon by contributing to ShelterBox, one of Rotary's International Service partners. (See the attached letter from a ShelterBox representative for information.) With widespread devastation, the ShelterBox relief effort is critical to stabilizing families that no longer have homes.

Donations can be made through our District Treasurer, Dave Sebastian. Mail checks to Dave at the following address. Put either ShelterBox or Typhoon Haiyan Relief in the memo line. We will then forward all contributions to ShelterBox, crediting each club that contributes to the relief effort.

David K. Sebastian
Physicians Wealth Management
18 Bank Street, Suite 204
Summit , NJ 07901

As we receive more information from Rotarian relief efforts, we will pass it on to you.

District Governor Tulsi Maharjan

See photo below for a visual example of what is included in a Shelter Box kit:

CHRISTMAS TREE FESTIVAL
Presented by Clinton Sunrise Rotary

Saturday, 12/7/2013

Flemington Elks Lodge

165 Route 31 - Flemington, NJ 08822

The Clinton Sunrise Rotary is proud to present its first annual Christmas Tree Festival to be held on **Saturday, December 7th** at the Flemington Elks. Enjoy this holiday's premiere benefit event with good food, drinks, dancing, making new friends and of course, TREES! Rotary is seeking help for this event in a variety of ways. As a Tree Sponsor, we invite businesses, community groups or individuals to sponsor & decorate a 6' Christmas Tree in any theme or fashion you desire - imagination is encouraged! For a \$100 sponsorship fee, Rotary will provide the tree and the stand. Throughout the evening's event, attendees will have the opportunity to drop raffle tickets in the Tree they would want to win the most. Prizes will be awarded for Most Creative, Most Popular and Most Outrageous. If you want to sponsor a tree but choose not to decorate it, Rotary can decorate the tree for you for an additional fee. Other sponsorship opportunities are also available.

During the afternoon of 12/7, from 2-4pm, Santa will be visiting the Flemington Elks to see all of the beautifully decorated trees. Bring your children by while he's there and they can have a picture taken with him, enjoy hot chocolate & cookies, and see all of the trees also. Your family may find the tree of your dreams - already decorated for you - just attend the evening event to participate in the raffle! Please bring a can good donation to help build our can tree for The Food Pantry.

The day culminates with the party in the evening from 7-11pm. Enjoy great food, great music and a great time. Attendees will have an opportunity to view the trees, vote on their favorites & participate in a silent auction. The trees will also be raffled off during this time. Tickets are \$50 each or \$90 per couple.

So, here's your opportunity to support your local community, meet Santa & celebrate the season at a fun event - all in one day! Proceeds benefit The Food Pantry, local Rotary projects, and the YMCA Angel Patrol program. For more information, or to sponsor a tree or buy event tickets contact Debbie LaVoie at 908-797-5766 or Deb Shenberger at 908-797-5057.

Interacting with High School Students and Teachers to Promote Financial Confidence

Bridging the Gap between school and career. . .

It has always been a challenge for teachers and students to relate classroom studies to future real business opportunities, problems and real personal financial situations. The Bridging the Gap simulations provide the opportunity for the interaction of businessmen and women and other professionals with high school students and teachers to help promote business and personal financial confidence.

The BPS (Business Plan Simulation) Program brings a business scenario into the classroom by utilizing local business professional volunteers' experiences. The Student Entrepreneurs' Handbook and The Coordinators' Manual explain the simulated exercise where students can "buy" a deli, but only if they are able to convince local bankers to grant them a loan. Local business people volunteer as "consultants" to guide a group of students in preparing a business plan, including a Profit and Loss Statement. The students then present the plan to the local volunteer bankers.

The PFP (Personal Financial Planning) Simulation Program simulates a typical financial problem where a young couple wants to buy a reasonably priced house. Local volunteers with financial experience consult with a group of students (acting as a family) during their preparation of a mortgage application to be presented to the local volunteer bankers. Explanation and work sheets are included in The Students' PFP Handbook and in The Coordinators' Manual.

**HUNTERDON COUNTY
CHAMBER OF COMMERCE**

As you know, the Rotary Club of Flemington is a member of the H.C. Chamber of Commerce. This enables all Rotarians the ability to attend a Chamber function as a "member". If someone asks you what your business is, you would explain that you are a member representing the Rotary Club of Flemington.
