***Al Dorf Memorial
FRESH AIR PICNIC***

Saturday, July 11, 2015

Time: 2 - 5 pm

Location: Camp CARR

Address: 517 Hamden Road - Annandale, NJ 08801

Flemington Rotary partnered with [The Fresh Air Fund](#), a non-profit agency, in 1931 to help provide a free "fresh air" summer experience out in the country for New York City children from low-income communities.

On Saturday, July 11th, the Rotary Club of Flemington will be hosting a picnic for all of the Fresh Air kids and their host families. All Flemington Rotarians and their families are also invited and encouraged to attend! This is Flemington Rotary's 2nd oldest service project.

Picnic foods will be provided including hot dogs, hamburgers and drinks. Rotarians are

requested to bring a side dish.

There will also be a swimming pool for everyone to enjoy. So make sure to bring your kids, grand kids, swimming suits & towels!

For more information, contact **Gwen Williams** by phone at (908) 369-4042 or by email at gwen1233@comcast.net before July 3rd. Or [Click Here](#) to download the flyer. [Click Here](#) to generate directions.

BUILDING FOR AMERICA'S BRAVEST SHADOWBOX TOUR **Rotary Program for the 5/13 Rotary Meeting**

On behalf of the Stephen Siller Tunnel to Towers Foundation, 9/11 first responders from the Fire Department of New York, (FDNY), will travel across America to visit EACH AND EVERY Carpet One Floor & Home store in the continental United States. Tunnel to Towers and volunteers from the FDNY are making this journey as a thank you to Carpet One members for your dedication to the Building for America's Bravest program.

During each visit, a shadowbox containing a piece of 9/11 steel from Ground Zero will be presented to the store, and the member of FDNY will speak about their experience on 9/11 and give each sales professional an FDNY pin. They also want to use this opportunity to talk to your sales staff about the work they are doing with America's Bravest, and to engage your sales professionals to help raise funds to build homes for our deserving service members who have sacrificed so much for our country.

More about Building for America's Bravest

Building for America's Bravest is a program of the Stephen Siller Tunnel to Towers Foundation that builds Smart Homes for our most catastrophically injured service members returning home. Each home is custom designed to address the unique needs of each individual. Our flooring partners include Mohawk Industries and Carpet One Floor & Home. Energy efficient, automated and easily accessible-these homes use "adaptive technology" to help our most severely injured heroes live better, more independent lives.

But as amazing as adaptive home technology is, it's far beyond the reach of most veterans and their modest pensions. The waiting list is long - and for every home we build, another three veterans join the list. When the call came, these brave service members went. They made extraordinary sacrifices in our place. Please help give them a home they can come home to. Your donation will make a real difference in a service hero's life.

Clinton Sunrise Rotary to Dedicate ***FIT TRAIL in Clinton*** **Saturday, May 9, 2015 from 1-2pm**

The Clinton Sunrise Rotary has a history of giving. In May, that tradition will continue when it dedicates a Fitness Trail in the Town of Clinton. Hunts Mill Park is the home of

the new Fit Trail being donated to the Town by Clinton Sunrise Rotary. The formal dedication ceremony & celebration is scheduled for Saturday, May 9, 2015, from 1-2 pm.

Dignitaries from the Town of Clinton and from District 7510 of Rotary International will be in attendance to witness the ceremonial ribbon cutting. Residents of Clinton and the surrounding communities are invited to attend the short program, tour the new trail and share in some celebratory refreshments.

Comprised of 6 workout stations along the jogging path which connects the soccer fields to Hunts Mill Pond in the park, the Fit Trail has been a 5 year project undertaken by the members of Clinton Sunrise Rotary Club. Working in cooperation with the Parks Commission of the Town of Clinton, the design and location of the Trail were developed to provide simple exercise stations that can be used by area residents of all ages in a scenic setting. There are 2 different types of exercise equipment at each stop and instructions for use are displayed at each station.

Fund raising by the club, community sponsor donations and grants from the Rotary International Foundation and the Holt Charitable Foundation provided the funding for the \$40,000.00 project that Clinton Sunrise Rotary is donating to the Town of Clinton.

The Rotary eClub of Hunterdon Horizons has partnered with Clinton Sunrise to beautify the trail and provide the refreshments at the dedication. The Fit Trail dedication will also serve to celebrate the 25th anniversary of the formation of the Clinton Sunrise Rotary Club.

Hunts Mill Park is also home to Hunts Mill Field, community baseball fields. Parking for the event is near the baseball field entrance to the park.

Flemington Rotary Donations Project
HEALING GARDEN at the
Hunterdon Medical Center
Supporting an Eagle Scout Project

The Donations Committee and Board have approved a \$1,250 donation to support a local project to create a **Healing Garden** at the **Hunterdon Medical Center**. The project was started by Robert Vanacore, who is a Boy Scout with Troop 194 here in Flemington. The Healing Garden project was created by Mr. Vanacore to help him earn the honorable rank of Eagle Scout. All of the labor would be donated to construct the garden, but the material costs were estimated to be roughly \$1,740. Flemington Rotary's donation of \$1,250 brings Robert up to his full financial goal to fund the project.

Members of Flemington Rotary are also be invited to assist with the construction of the garden as a hands-on project.
