PEDALS FOR PROGRESS
Bicycle, Sewing Machine & Sports Equipment
Collection

This Coming Saturday, June 6, 2015

9am to 12noon

Flemington Presbyterian Church

10 East Main Street - Flemington, NJ

Joe Ziegler hopes that you can join us for another Collection at the Flemington Presbyterian Church. Items to be collected include **Used Bicycles** (adult and child), **Used Sewing Machines** (in working condition) and **Sports Equipment** (soccer balls, baseball gloves, etc. that can fit in the shipping containers between the bikes). The collection is sponsored by the Flemington Presbyterian Church and the Rotary Club of Flemington.

Please help do your part to put unused bikes to good use in the developing world.

Requirements:

- Bikes should be rust free.
- Bikes with flat tires in need of some repair are accepted.
- No trikes.
- "Bikes for parts" are not accepted.

A **\$10 cash donation** is required with each bike or sewing machine. Bikes and donations are cash deductible. The required cash donation helps to offset the cost to ship the bikes to the developing countries.

Pedals for Progress, also known as **P4P**, collects 5000 to 7000 bicycles annually and transfers this material wealth to those more needy. Thus rescuing bicycles destined for America's landfills and delivering them to societies where they are badly needed and highly valued. To date, more than 142,000 bicycles, 2,800 used sewing machines and \$10.8 million in new spare parts have been shipped to partner charities in 38 developing countries. In these countries, the bikes are reconditioned by partner agencies and distributed at low cost to poor working adults. These bikes provide them with reliable transportation for commuting to work, transporting produce to market, or accessing health care and other services. Steady employment for these adults is vital to the development and success for these economies.

It costs \$40 to collect, process, ship, rebuild and distribute each bicycle. The required \$10 donation helps to offset the shipping costs. P4P is a 501(c)(3) corporation and a registered charity in the states of NJ, PA, NY, CT, IA & VT. Brochures explaining this innovative program will be available at the collection site. P4P also seeks donations of wrenches for our overseas shops. For detailed information about our overseas projects and a current schedule of bicycle collection, visit the P4P website at www.p4p.org. If you miss this collection date, you can locate other bike collections through the Pedals for Progress website: www.P4P.org

***Al Dorf Memorial
Fresh Air Picnic is CANCELED***

As of June 2nd, Gwen Williams noted that the Fresh Air Picnic has been **CANCELED** because the children will only be here for one week. We will still arrange to pick them up in New York and return them. But there is not time for a picnic.

If you are interested in helping with the pick up or return, please reach out to Gwen Williams by phone at (908) 369-4042 or by email at gwen1233@comcast.net. Pickup will occur on **Thursday, July 2nd** and return will be on **Thursday, July 9th**.

Background: Flemington Rotary partnered with [The Fresh Air Fund](#), a non-profit agency, in 1931 to help provide a free "fresh air" summer experience out in the country for New York City children from low-income communities.

Flemington Rotary Donations Project
HEALING GARDEN at the
Hunterdon Medical Center
Supporting an Eagle Scout Project

The Donations Committee and Board have approved a \$1,250 donation to support a local project to create a **Healing Garden** at the **Hunterdon Medical Center**. The project was started by Robert Vanacore, who is a Boy Scout with Troop 194 here in Flemington. The Healing Garden project was created by Mr. Vanacore to help him earn the honorable rank of Eagle Scout. All of the labor would be donated to construct the garden, but the material costs were estimated to be roughly \$1,740. Flemington Rotary's donation of \$1,250 brings Robert up to his full financial goal to fund the project.

Members of Flemington Rotary are also be invited to assist with the construction of the garden as a hands-on project.

[CLICK HERE](#) to learn more about the project, including photos of where the Healing Garden would be located near the Hunterdon Medical Center's entrance to the Cancer Ward. If you have any other questions, please contact Donations Committee Chair, Terry Ownes.
