JONI KRIEG UPDATE

Joni has been moved to a rehab facility in Philadelphia. She is conscious part of the time, and is mending. She will need companions once she leaves rehab. Please contact Frank. In this way, we can help two of our fellow members.

RUN TO CURE CANCER

Saturday, May 13, the Hunterdon Regional Cancer Center will hold their Sixth Annual 5K Fund Run Walk at the Duke Island Park in Bridgewater.

EDITH MILMAN THANKS THE CLUB

Edith Milman thanks our club for the expressions of sympathy, fruit basket and members' attendance at Leon's funeral.

"FIRST FRIDAY" IN MAY

Terry and Ginger Ownes are hosting First Friday on the second Friday in May — May 12. In honor of Ginger winning a trip to Mexico, the theme will be "Cinco de Mayo" Come celebrate! Margaritas! Mexican lasagna! Special salsa! And other goodies. Starts at 6 pm. There may be a contest for best dressed, so come prepared.

DONATIONS COMMITTEE REPORT

The committee has received ten responses to requests for proposals, and expects a few more will come in. The committee met before today's meeting to review the proposals. They will present their recommendations to the board on May 16.

In the course of gathering these proposals, Terry Martin reports she learned about several fundraising events that may be of interest to club members:

- Big Brothers / Big Sisters — Golf Outing on May 1.
- Women's Crisis Service — Golf Outing on May 16.
- ARC — Walk on May 7.

For details please contact the sponsoring agency.

THE RAIN IN SPAIN STAYS MAINLY ON THE LINKS

Darren Loew had not just one set of arrangements for our Golf Outing, but two! When Copper Hill contacted him over the weekend and said the course was too wet for Monday's outing, Darren quickly got on the phone and called other courses to see if we could move our event. Oak Hill in Milford was willing to make it happen on less than 24 hours' notice! But Monday morning's torrential rain forced them to cancel our event as well.

The Golf Committee will be coming up with a rain date and location.

Almost ninety golfers were scheduled to participate. And we have loads of door prizes to give!

But there is a silver lining to this delay...

We have a perfect opportunity to sell additional sponsorships! Let's make this year's golf outing *really* successful! Contact Darren if you need the details again.

If you know anyone between the ages of 25 and 40 who wants to go to Greece — *who doesn't?! —* please let them know about this great program. That's next year's destination for our district's out-bound team.

UNITED WAY'S COMMUNITY IMPACT FOCUS

Our speakers Bonnie Duncan and John Graf, of the United Ways of Hunterdon and Somerset respectively, explained that the organization doesn't just fund agencies — it supports programs. And these programs are evaluated based on their community impact.

The six key areas that United Way addresses in Hunterdon are:

- Helping kids succeed
- Strengthening families
- Increasing independence for seniors
- Meeting basic needs
- Fostering self-sufficiency
- Promoting health & wellness

United Way works closely with neighborhood organizations and community leaders to identify and assess community needs, find solutions, generate necessary resources, and bring together agencies, foundations and volunteers.

All this is done in a very goal-directed manner with careful assessment during and after any program. No waste here!

Today's United Way also focuses on addressing underlying problems, with an emphasis on prevention and lasting change. This makes sense in terms of efficiency, but it's also driven by the fact that need always increases as other resources decrease.

You can help!

Please continue to give to United Way. Then, get involved as a volunteer; call 908-782-3414 for more information. Finally, learn more about how United Way is maintaining and increasing its effectiveness — go to its website at www.uwhunterdon.org.
