## CLUB ANNOUNCEMENTS

Mick Schaible announced that our club was recognized by Rotary International for our joint participation with the Rotary Club of Guayaquil on the Rotary Foundation Matching Grant Project. This project will enable us to extend a public water line from a neighboring community near San Pablo, Ecuador to benefit some 156 villagers. For more information on this project you can visit the Rotary International website at [www.rotary.org](http://www.rotary.org).

Bob Chittenden announced that the club approved a \$250.00 advertisement for the United Way Dinner. The United Way is recognizing Terry Martin as Community Volunteer of the Year on April 13, 2007 at the Hunterdon Hills Playhouse.

The Hunterdon County Department of Public Safety, Division of Corrections is the main custodian of all adult offenders arrested for violations of laws within the County of Hunterdon. The safety and welfare and control of all inmates within the Hunterdon County Jail is the main responsibility of the Department and its employees.

The Hunterdon County Department of Public Safety was created in 2005 as a move to consolidate the Public Safety services provided by the County. The Department consists of the County Communications System (9-1-1), the Office of the Fire Marshal, the Office of Emergency Management, the Emergency Services Training Center, Homeland Security, County Jail and Youth Facility.

George pointed out that the youth facility is celebrating its 5<sup>th</sup> anniversary, and that the Hunterdon County 911 received over 112,000 calls in 2006 with only 58 complaints!

George mentioned one of the biggest challenges is training people who use cell phone calls to 911. Because there is a radio signal used, your cell phone call to 911 might not go to the Hunterdon County dispatcher so it is always recommended that you state your location.

The mission of Hunterdon County's Department of Public Safety Organizations is to provide a wide range of preventive, protective and emergency services aimed at maintaining the quality of life for the general public.
