

18 April 2007

ANNOUNCEMENTS

Karen Widico gave an update on our exchange student who would like to go to an NBA game before the seasons ends. Karen asked if the members could contribute some money to purchase the tickets. A contribution sheet was passed around. Any money collection in addition to the ticket costs will be given to Mert as a gift for his year end, month long bus trip to be used as spending money. If you would like to support this you can bring the donation to the next meeting or contact Karen. We will do a card for Mert and have everyone who contributed sign it.

Jeff Mattison announced that he is taking a 90 day leave of absence as he is retiring from the banking industry and joining the Hunterdon County ARC.

With regret the board has accepted John Angelo's resignation from the Flemington Rotary Club.

FOOD PANTRY UPDATE

Terry Ownes announced to put the 1st Friday of every month on your calendar to help unload the truck at the Flemington Food Pantry.

SCHOLARSHIP COMMITTEE

Ted Weinstein announced that we have 51 applicants from Hunterdon Central Regional High School so far. It has been determined that 1 of our 5 scholarships will go to Hunterdon County Polytech student this year.

GUEST SPEAKER

Our program last week was Bud Cass from Advanced Cerametrics Inc. Advanced Cerametrics Inc. (ACI) has grown over its 59-year history from a small, family owned manufacturer of ceramic wear parts for the textile industry, to a leadership position in advanced materials.

ACI is changing the way ceramics are used. Using ACI's patented process technology the company produces large volumes of ceramic fibers for sensors, actuators, energy harvesters and other electrical, mechanical, thermal and chemical applications.

This fiber technology has been incorporated in the latest active smart sporting goods and is now

IMPORTANT DATES

- April 18** - Club Assembly: Fundraisers
- April 25** - Incoming GSE Team from Greece
- April 30** - Annual Golf Outing Fundraiser
- June 2** - Annual Pedals for Progress Bicycle Fundraiser, 9am-12noon
- May 19** - Progressive Dinner
- June 27** - Changing of the Guard Dinner
- September 15** - 4th Annual Ride for Rotary Motorcycle Run

being designed into next generation aircraft, automobiles, motorcycles, wireless sensors, acoustical equipment, sports gear, industrial equipment, infrastructure and apparel.

Head Sport introduced Intellifiber and Intellichip (www.head.com) active fiber composite tennis rackets and skis with energy harvesting actuators made from ACI's patented PZT fiber. These self-powered "Smart" products actively dampen vibrations and deliver torsional stability created during a ball strike or edge chatter from a ski turn by using the energy created to control the shape of the ski or racket. This active structural control adds up to 15% more power to a ball hit and about 6" more functional edge on a ski. The results were "Tennis Racket of the Year", and several gold medals at this year's Olympics for Head Sport and its customers.

Mr. Cass demonstrated the conversion of mechanical energy on Mick Schiabile. Mr. Cass asked Mick to hold onto a small metal plate that was wired to a ski. Mr. Cass then banged the ski on the floor and Mick let out a loud "WHOOOOOO". Mick received a shock of about 80 volts and confirmed that it does work.

Can we borrow the golf clubs for our outing?

To find out more information about ACI you can locate their website at www.advancedcerametrics.com.

— AREA ROTARY MEETINGS —

- Branchburg** Wednesdays 7:30 am, Loukas' Last American Diner
- Clinton Sunrise** Thursdays 7:15 am, Clinton Holiday Inn
- Lambertville-New Hope** Mondays 6:30 pm, Lambertville Station
