Make room for Natalia at your family table

Natalia Delgado, 18, from Ecuador has just begun a six-month stay with Karen Widico and her husband Michael. She arrived in August as part of the Rotary Youth Exchange and stayed initially with Lisa Reed.

Natalia, who is fluent in English, is attending Hunterdon Central High School, where she is a senior. When her year is over in late July, she will take a month-long tour of the United States with other exchange students.

Until then, Karen encourages Rotarians to invite Natalia for dinner in their homes, or on day trips to local, Philadelphia or New York sites. "We hope to support Natalia and get her to see and experience a lot in the next six months," said Karen.

Flemington Rotary is one of three clubs in District 7510 hosting exchange students this year. American students, called "outbounds," also participate in the program.

Our club pitched in recently to buy Natalia a combination birthday and Christmas gift, a tradition with every exchange student. Her gift was an iPod.

To arrange an outing with Natalia, call Karen at work, 782-3909, or by cell, 625-6924.

Bob Wise named YMCA Man of the Year

Rotarian Bob Wise, President and CEO of Hunterdon Medical Center will be honored as the YMCA Man of the Year on Friday, April 25. He will receive the "Lend-a-Hand-to-Youth" Award for outstanding service to the community.

The dinner is a benefit for people in financial hardship. Beneficiaries receive reduced rates for YMCA programs, plus the services of the YMCA financial assistance program.

Flemington Rotary purchased a full-page ad in the event program. To attend the dinner at the Bridgewater Marriott, call Hilary Kruchowy, 908-236-7879, x11.

Compelling talk on hospice

Some of Anne Boyle's caregiving experiences are indelible in her mind. Take, for instance, the dying woman whose husband talked at length about his Russian POW days in World War II. Talking helped him deal with his wife's impending death, and Anne was mesmerized by the stories. It was a meaningful sharing on both sides.

Such are the experiences of volunteers for Hunterdon Hospice. Anne is among 150 active volunteers who work with dying patients referred to Hunterdon Hospice. At last week's Rotary meeting, she and Volunteer Coordinator Joy Stump spoke about the program, how to be referred as a patient, and how to become a volunteer.

Joy said any referral must be approved by a doctor. The patient must have a terminal illness with a life expectancy of six months or less.

Hospice is not a place," said Joy. "It is a philosophy of "care, not cure." For people in the final phase of a life-threatening illness, hospice provides control of pain and symptoms
