**Hunterdon Central Regional High School Commons**

29 Junction Road - Flemington, NJ 08822

**7:00 AM to 1:00 PM**

**\$7 for adults; \$4 for children ages 5 – 11; and Children under 5 are free.**

“I think this year’s event will be awesome!!!” say Terry Ownes, co-chairman of the Rotary Club of Flemington’s annual Pancake Day. The popular fundraiser will run from 7am to 1pm on Saturday, 10/29 in the Commons at Hunterdon Central Regional High School in Raritan Township. The Commons is near Hunterdon Central’s field house located at 29 Junction Road, Flemington, NJ 08822.

Net proceeds of this year’s Pancake Day will benefit scholarships for H.C.R.H.S. & H.C. Polytech graduating seniors and the Filippini family of Readington Township. **Hayley Filippini**, a very active, strong willed and extremely courageous 8<sup>th</sup> grader, was diagnosed earlier this year with high-risk Pineoblastoma. A pineoblastoma is a rare malignant brain tumor, which arises from the cells of the pineal gland that sits near the center of the head and brain. This aggressive cancerous tumor has also spread down Hayley’s spine. She has been undergoing radiation and intensive chemotherapy treatment. Proceeds will help Hayley and her family in their daily fight against cancer.

Rotary is continuing their “spooked” up menu with their **Boo-Berry** & **Count Chocula** Pancakes for all ages to enjoy!!!!

This year’s special activities will include an indoor **Halloween High School**, sponsored by Hunterdon Central as a “thank you” to the community for their support of the high school. The Halloween High School is free to kids Kindergarten through Grade 3 from 10am to 12noon. There will be Haunted House decorated hallways, children's scary story time and all kinds of Halloween activities and games in different classrooms. Kids and their parents can come together and there will be prizes and gifts to families and kids who come in costume. “We are pleased to be able to partner with Flemington Rotary during their popular Pancake Day,” said Acting Superintendent Chris Steffner. “Parents can enjoy a pancake breakfast while their little ones have a chance to enjoy some Halloween fun with our high school students and staff. There is no charge for the Halloween High School activity. Families can participate in Halloween High school without having breakfast but we are hoping that they may choose to do both.”

“In addition to the flapjacks flying and sausage sizzling on Saturday, October 29, we will also have a **Bake Sale** for all to enjoy!” The Bake Sale will offer tempting cookies, candy, cakes, pies and pastries made by Rotary members and their spouses.

Flemington Rotary will also have an amazing **Outdoor Farm Stand** selling Apples, Apple Cider & Pumpkins for participants to purchase!! “Plan ahead to buy your Halloween Pumpkins from us!!!”

“Pancake Day tickets are available in advance from Rotary Club of Flemington members, or at the door on October 29”, says Mr. Ownes. “You get as many pancakes as you want, with butter and syrup, a serving of sausage, coffee, tea, juice and milk.” The cost to attend Pancake Day is \$7 for adults; \$4 for children ages 5 – 11; and Children under 5 are free. There is NO cost to attend the Halloween High School.

“We will also have a **pancake eating contest** at 9am. “We will provide the pancakes; you just need to have the appetite!!!”

We would also like to thank the generous businesses from the local community, who make the event possible: IHOP Restaurant of Branchburg (pancake batter), ShopRite of Hunterdon (syrup & milk), Johanna Foods (orange juice & yogurt), WaWa, Jakes Restaurant (butter & creamers), Matt's Red Rooster Grill, PM Electric, Unity Bank (sponsoring chocolate chips & blueberries), Clinton Business Products & Zen Marketing (plates, cutlery & napkins), Countryside Veterinary Hospital (apples & apple cider) and Schaeffer Farms (pumpkins).

**George Muller Ensures Ed Zanetti is Not Kidnapped!!!!** We just received a copy of the October 20<sup>th</sup> edition of the Rotary Club of Sarasota Keys, Florida's club newsletter. A special thanks to George Muller, who attended one of their recent meetings to ensure they are not kidnapping Ed! The following is the article from their newsletter, as well as a response from Steve Barrick.

**Taken from the 10/20/2011 Key Notes newsletter of the Rotary Club of Sarasota Keys, Florida:**

*Hot off the daily press.* It seems to me that the Flemington New Jersey Rotary club knows when they are in danger of losing a good Rotarian! At our regular meeting last week a gentleman sitting next to Ed said he was a member of the Flemington New Jersey Rotary club, **George Muller** by name. Well just as we were announcing the visitors George stood up and pulled out a wallet and flashed a large Gold Badge. In a booming voice he said he was an assistant Sheriff in Hunterdon county, and he was assigned to see that we did not try to Kidnap Ed. I guess the Flemington club knows when they got a good man! Don't worry Ed they can send down the SWAT team we are not going to let them drag you back to New Jersey, or "to that other club"!

All I had to do was simply asked one question that took him off guard. I wanted to know "how could he expect Ed to go back to a town that still has horse hitches in front of the court house." He was taken aback as to how I knew about that. He was assigned to make sure Ed left the meeting with him. Ed was startled too but I leaned over to him and said don't worry we will go out through the kitchen which I am familiar with. (I am always familiar with Kitchens).

I think Ed is leaning towards our club I can tell he is just about to join. The New Jersey club must be getting scared they even tried to sway him by giving him a plaque. They gave him a club membership book that had his name listed. I reminded Ed a few weeks ago the book did not list his name. There was a note from the club congratulating him for his perfect attendance and a line saying "don't let that Southern Club try to talk you into joining them." Ed let them know that they are too late.

I do not think we have to worry, *If George keeps visiting down here we may just make him a member too!*

**Flemington Rotary's Tongue-in-Cheek Response by Steve Barrick:**

**Flemington Rotary may have had some past members whom we would have gladly exported to Florida year 'round but Ed and George are not among them. They may like to winter in the Sunshine State but the Garden State is where their hearts - and primary Rotary allegiances - reside.**

**2012 Ride for Rotary Date Set for Sat, September 22, 2012:** Bob Chittenden attended the NJ Chapter meeting for the American Motorcycle Association (A.M.A. District 2 of NJ) on Monday, 10/3 in Bridgewater to set the date for the 2012 event. The A.M.A. coordinates the run dates for the next calendar year each October & November. The purpose of the coordinated dates is to prevent multiple motorcycle rides from occurring on the same day. However, nothing is able to be done with organizations that do not coordinate their event dates with the A.M.A. Next years date is scheduled for **Sat, September 22, 2012**. In checking the calendar, this does not appear to conflict with any religious holidays. Please note the date on your calendar.

Attached is a PDF of a very nice thank-you letter that we received from a woman who attended the 2011 Ride for Rotary event along with her fiancé. All club members should feel very good about what our club has accomplished together!!!

Dear members of the Flemington Rotary Club,

I would like to take this opportunity to say Thank You for a job well done. On September 17<sup>th</sup> my fiancé and I attended your Ride for Rotary. This was our first poker run, as we purchased a Harley Davidson just two weeks prior to the run. We had no idea what to expect. In addition, my fiancé's brother came down from Allentown PA to join us on his bike. In his twenty years of riding a motorcycle he has never attended a poker run either.

So it goes without saying that I was a little apprehensive about being a participant, thinking in the back of my head how intimidating all these "bikers" were going to be. I was on the grounds for about one minute before my fears were put to rest. Immediately I saw a friendly face, Dennis Cox (whom I know from my professional world) and just like that I knew we were in for a great time. His warm welcome and smiling face brought the apprehension level from 100 to 0 in a matter of seconds.

Being a resident of Hunterdon County, Lebanon Twp. to be exact, I am very well aware of how beautiful Hunterdon County is. But I must admit, I saw some sights that were absolutely awesome. Sights I never would have seen if it hadn't been for this bike run.

I ended up finishing fourth and won a terrific jacket from Cycle Gear. At this point I was wearing my regular leather jacket and obviously looked like I was new to the sport. As you are probably aware the jacket has shoulder, elbow, and back padding to protect a rider in case of a fall. By me winning this jacket you have quite possibly saved my life or at the very least saved me from serious injury if I should be involved in an accident.

The bottom line is we had a great time. The food was wonderful and the camaraderie was unbelievable. We are anxiously awaiting next year's run and we want you to know how much we appreciate all the time, energy, and effort you put into making this a memorable event for us.

Many thanks,

  
Amy M. Barkman

PS. If you could make the distance in between stops a little closer my numb butt would appreciate it 😊

## Extra, Extra Read All About It: Wanted Ed Zanetti!!!!

### *Hot off the daily press.*

It seems to me that the Flemington New Jersey Rotary club knows when they are in danger of losing a good Rotarian! At our regular meeting last week a gentleman sitting next to Ed said he was a member of the Flemington New Jersey Rotary club, **George Muller by name**. Well just as we were announcing the visitors George stood up and pulled out a wallet and flashed **a large Gold Badge**. In a booming voice he said he was an assistant Sheriff in Hunterdon county, and he was assigned to see that we did not try to kidnap Ed. **I guess the Flemington club knows when they got a good man!** Don't worry Ed they can send down the **SWAT** team we are not

going to let them drag you back to New Jersey, or "to that other club"!

All I had to do was simply ask one question that took him off guard. I wanted to know "how could he expect Ed to go back to a town that still has horse hitches in front of the court house." He was taken aback as to how I knew about that. He was assigned to make sure Ed left the meeting with him. Ed was startled too but I leaned over to him and said don't worry we will go out through the kitchen which I am familiar with. *(I am always familiar with Kitchens).*

I think Ed is leaning towards our club I can tell he is just about to join. The New Jersey club must be getting scared they even tried to sway him by giving him a plaque. They gave him a club membership book that had his name listed. I reminded Ed a few weeks ago the book did not list his name. There was a note from the club congratulating him for his perfect attendance and a line saying "don't let that Southern Club try to talk you into joining them." Ed let them know that they are too late. Club

I do not think we have to worry, *If George keeps visiting down here we may just make him a member too!*

\*\*\*\*\*

Last week we also heard from Liliane. She will be spearheading the Salvation Army Bell Ringing. She hopes to bring in Santa Clause again this year *(Is there anybody that Liliane doesn't know)* She could convince the **Easter Bunny** to help out with the Bell Ringing! **Plan to help out now.**

If you haven't got your tickets for the Diner's Delight see **Jim Freeman**. Five lucky winners will have the opportunity to win dinner for two at one of Sarasota's choicest restaurants. This is also a great way to benefit the many charities that our club supports.

*Service Above Self*

## Members Corner

It was good to see **Peter Artzt** last week at our luncheon. He has been organizing the Dictionary program for the club. Please hang around after the meeting today so we can put the labels in the dictionary's. It should only take about 1/2 hour at the most. Peter what happened to the expensive tie you purchased from the Yacht club for one of our functions?

The **Interact Club** received a donation from The keys foundation in the amount of \$450. This will cover for 30 shirts with our logo on it. The students insisted on paying for

a portion of the cost. We allowed \$15 a shirt and they will Pay \$12. When they are received I will borrow one and bring it a meeting to show you what They looks like. They will even have their names on them. If our club is interested in purchasing shirts I can inquire about cost with our club name, Rotary Logo and your full name on the shirts

The **Interact Club** this year is very spirited. There are many freshman in the group. Students in the Sarasota Military Academy are required to perform 100 hours of community service, The Interact club gives the students the opportunity to make up those hours. At today's meeting they selected officers, A President, Vice President secretary, treasurer and a historian. At the end of the year they will receive a booklet showing pictures and activities they were involved it. At sometime in the near future, some of the officers

and members will be invited to one of our Luncheons. These students give up their lunch hour to attend these meeting. Sometimes they get Pizza paid for by their school guide. If any one is interested in donating some thing for pizza see me. They usually get 6 pizzas at a cost of \$36.00. *I promise none will be Godfather pizza.*

Last week **Ed** won the drawing (*but not the jackpot*). It was okay because **Marie** was not there.

Club members be forewarned, **Bev Michaelson** will be back next week from the isle of Mann.

Lunch today: **Caesar Salad ;Entree Shrimp Alfredo, Dessert Crème Brulee**

This weeks wisdom came from one of our members **Lilliane** (*Notice I did not say Wisdom of the Ancients*). "A Man is not old until regrets take the place of dreams"

**Tony I.**
