Hey Everyone,

Meeting Program: The speaker for tomorrow's Rotary meeting (Wed, 9/19) is **Donna Bartos**, who is the New Executive Director of **SAFE in Hunterdon**. This is a regular lunch meeting at Copper Hill Country Club at 12:15pm.

See below for a reminder about the **Inter-County dinner** this coming Thursday night (Thurs, 9/20).

Fundraiser Committee Meeting (Wed, 9/19 at 1:30pm): President-Elect Ira Liebross has called a short meeting to generate a discussion on club fundraisers. Included will be an assessment of the current number of fundraisers that we have, the potential money raised for donations and whether another fundraiser is considered. Currently, we have Pancake Day in October, the Soup Cook-Off in February and the Dog Walk in May/June. Everyone is welcome to attend.

Membership Committee Meeting (Wed, 9/19 at 1:30pm): Membership Chair, Joe Ziegler, indicated that the next Membership Committee meeting will be held on Wed, 9/19 at 1:30pm following the regular club meeting. Anyone interested in being on the Committee is welcome to attend.

Request For All Members To Pay Their Club Dues from President Karen:

Dear Rotary Members:

I am writing to ask that you pay your annual dues bill by the end of September. As you know, this is a part of being a Rotarian, and we have to pay the District a large bill in September, so your dues payment is important. As former treasurer, I also ask that you consider the extra work the treasurer has to do to keep billing, reminding, etc. The Board discussed dues payment, and will consider adding a late fee (as the lunch account already does) if necessary.

I hope we can close the dues payment quickly, and I welcome any questions, and thank you in advance for your consideration and cooperation. Thank you to all members that have already sent in their payment.

Yours in Service, Karen

Update Regarding the “First Response Backpacks” for Injured American Soldiers Serving In

Afghanistan: If you recall, Debbie Lavoie spoke to the Flemington Rotary Club on Wed, 8/8 about the “First Response Backpacks” she was putting together to send to wounded or ill American Soldiers serving in Afghanistan. She started the project to help cope with the stress of having her own son serving overseas. The following is a recent letter than Debbie proudly shared rom Lance Corporal Martin Ortiz. Debbie noted *“Dear Friends, You have all been so generous with your time, your contributions, your efforts, and your hearts in supporting putting together backpacks for our wounded troops. I thought you would want to know that we can say that we are getting the job done. Here is a letter from one of the young men who received one of our packs. Thank you for all that you have done, and all I know we can continue to do.”* Here is the letter:

Dear Mrs. Lavoie,

My name is Martin Ortiz. Recently, on the 21st of august, my convoy hit an i.e.d, and i was injured as a result. I was on the turret, and was thrown around and knocked unconscious for a few seconds as a result. Got a fractured t12 on my mid spine, and a fractured tail bone. Due to my injuries, I was med-evac'ed to wounded warriors here in San Diego. fortunately, I will make a full recovery, just need plenty of time for my two fractures to heal. It took about less than a week for me to get back to the states.. but along the way, i received many gifts, including all the items you and your loved ones sent. I wanted to thank you for sending me such gifts, as they made things go by much more pleasantly. In honesty, the thank you letters were the best part for me.. i only wish everyone left behind a mailing address, so I could give them all my personal thanks. For me, as a humble softie, receiving those letters really lightened my spirits. By the way mam, I so also happen to be a Marine Combat Engineer. From my stand point, Engineers receive THE best training for ground operations. We know what to look for, to keep our brothers, and ourselves safe. things are slowing down out there as well.. What I'm really trying to say is that your son has received some top training, and will be safe. He'll bring everyone, and himself as well home safe, and all in one piece. I wish you, and your loved ones good fortune, and thank you again, for lifting my spirits in a critical part of my life.

Lcpl Ortiz, Martin

Dear Fellow Rotarian,

Good afternoon. On Sunday, September 23rd, your District is convening a Conference to address our greatest opportunity and our greatest challenge – membership growth and retention. The only things at stake are the people we serve, our clubs and the future existence of our District.

We invite (strongly) the attendance and participation of Club Presidents, Elects and Nominees, Membership Committee chairs/members, PDG's and any interested and concerned Rotarian willing to contribute.

The goals of this meeting will be to harvest and share the best and brightest ideas regarding membership recruitment and retention, understand the situation and problems we face, while encouraging all of us to take ownership of an urgent District need. The intended outcome is to walk away with concrete ideas for increasing membership immediately and the motivation to do so. The conference will be facilitated and interactive, and your participation is vital.

The meeting will be Sunday September 23rd from 12PM to 5PM at the former Crowne Plaza hotel at 110 Davidson Avenue in Somerset. It will be a working session and dress will be weekend casual. Lunch will be available and at my request, cookies. The cost will be \$20 to cover the food and facilities payable in advance or at the door. We encourage Clubs to absorb or subsidize the cost to their member attendance. The value of the meeting will be priceless. Please register on the District Database and contact Beverly Howard (District Secretary) for assistance. Other suggestions or questions, please contact your Assistant Governor.

These are not ordinary times for our District and this will not be an ordinary Rotary meeting. Please commit to our future and register today. Thank you and for your Rotary service. Dwight.

Invite people to your Causes before your Club.

Dwight Leeper, DG
District 7510
